Hi Let's Play Everywhere LA winners,

Hope all is well! I'm super excited to e-introduce you to Ryan Kurtzman, our city contact from the Mayor's office of City Services.

Ryan will be working with us to help ensure that all of the grantees have the information they need from the city to install their projects.

He will be reaching out to connect with you to set up a call and learn more about your projects/help answer any questions you may have with regards to working with the city.

Ryan, I'll let you take it from here!

In play,  
Naudy
